Brethren! This is the month of our inspection. May 21st we will be inspected in the Master Mason Degree. Please come and join us. If you can only make it to one meeting this year, please come out for our inspection. We have been diligently practicing and hope to make Canton Lodge No. 60 proud. We will have a dinner before the inspection at 6:00 p.m. If you are coming for the dinner, please let us know so we can plan for enough food. If you’re just coming to inspection, no reservation is required. Trinity Lodge No. 710 is also having their inspection this month, let’s support them as well.

Our “One Day Class” was a big success. Canton Lodge welcomed 12 new brethren into our fraternity. We had an informative meeting and dinner welcoming those new brethren into our lodge and hope to see them coming back. Several brothers also joined the York Rite Ranks. As a York Rite member myself, I attended the Mark Master Degree with them and I was especially pleased as I saw the big smile on Wor. Bro. Mike Emery’s face as he went through. The York Rite also had a festival on May 3rd that was great.

Last month was the Scottish Rite Reunion and we congratulate Ill. Bro., Rt. Wor. Tom White, for being honored at this event. He has been an invaluable asset to our lodge and a good friend. I was very happy to see him honored.

One of my goals this year is to have every Masonic Body come and speak to the lodge so the brethren may learn about the breadth and diversity of this fraternity. If you are in another body and want to let everyone know what you are doing, please contact me.

I hope to see you all at our inspection, Wednesday, May 21st.

Steve Morosko, W.M.

Wow! We have been busy. I am writing this shortly after our inspection and the Grand Masters "One Day class." I want to first congratulate all of ours, and other lodges, new Master Masons raised at the "One Day Class." Welcome to the biggest and best fraternity on the planet. You've made the investment now reap the rewards. Come to Lodge! Don't worry if you're not sure what to do, just like the "One Day Class" we will take care of you. We know you have questions and we have all the answers, I'm excited and looking forward to seeing all of you at lodge soon!

I am so proud of the officers; every one of them did a stellar job for our inspection. I pushed all of you hard with practices and it paid off. I sat in the East as R.W. Bro. Bailey gave his report on all of you thinking "It couldn't have been any better than this." I am truly honored to be the Master of this Lodge and to be in the company of all of you, I will never forget that evening. Wor. Bro. Rundquist, as always, you did a fantastic job with the Fellow Craft Team at the "One Day class." Our Fellow Craft Team is the best, period; there I said it, and it's true. All of you were spot on. This was the second time in a row that McKinley Lodge has had its inspection on Friday evening and the "One Day Class" the next morning; and when we are called upon, we deliver! Great job Brethren.

However, even though the hardest events are behind us, we have a lot more coming. Our Outdoor Lodge, our lodge trip and our fundraiser; so we still have work to do. I promise we will have a lot of fun along the way. Don't forget, we have to redeem ourselves at Canton 60's inspection. They had 18 members at ours so we need twenty at theirs. L.O.L. Thanks to the brethren at Canton for their support.

Mark, Worshipful Master

Greetings Brethren! I would like to personally congratulate our newly raised Master Masons from the “One Day Class,” Brothers, Brett W. Bowers; Timothy S. Ness; Jonathon Overholt and Allen R. Shankle II. It was a special pleasure to be present and raise my older Brother Ricky McLeod to the Sublime Degree of Master Mason.

It was also a honor to be asked to help post the colors with Canton Commandery No. 38. Larry Haines is our Commander this year and is also the Junior Warden of Trinity Lodge. It’s been a busy year for Brother Larry serving both positions.

We at Trinity Lodge would like to congratulate P.M. Johnnie Jones who celebrated his 80th birthday, April 6th. He received a surprise birthday party and seemed deeply moved. Congratulations again Johnnie from all of us.

Now to the Trestle Board! Keep in mind we only have 5 inspections left. May 1st, our Stated Meeting, we are honoring our new “One Day Class” Master Masons. Our Stewards will have something special in mind afterwards.

May 8th will be a practice for the Master Mason Degree. May 11th is Mother’s Day. Please remember Mom for all she has done. Thursday, May 15th is our Stated Meeting and Master Mason Degree Night. Monarch’s Message

Smile, God Loves You!

With spring here and better weather with us, the members are looking forward to becoming more active. We have planned on having a toothbrush program soon. We will be passing out free toothbrushes to children at some local retail spot. Also, hopefully we will get our steak dinners back up and running. These dinners are normally on the third Friday of the month.

With the “One Day Class” over and so many new Masonic brethren, we would hope to find candidates for our Order and therefore we are planning a combined ceremonial for the first part of July, probably the 12th of July. The other Grottoes involved will be Aut Mori Grotto in Youngstown, Ali Babba Grotto in Warren, Yusef Khan Grotto in Akron and our own Nazir Grotto of Canton.

The clown unit has returned applications for several parades and is in hopes of participating in quite a few events this year.

Greetings Companions! The weather is finally changing to the warm sunshine that we all enjoy. As you can see we have a lot going on this month. We will be electing our new corps of officers at our May Stated Meeting, so please make a special effort to be on hand.

Companions, on the 8th of May, before the Scottish Rite Meeting, we will be having a special dinner for all Masonic Brethren and Sisters; Scottish Rite, York Rite, Eastern Star and guests are all invited. This will be a benefit dinner to help our good friend and brother, Darrell Porter, who will be undergoing a Bone Morrow Transplant as soon as they find a suitable match. York Rite and Scottish Rite are sponsoring this dinner and all proceeds will be donated to the Porter family to help with the enormous costs. Call and make your reservations at my office (330) 455-6300 or the Scottish Rite office (330)455-2321. The menu will be: Swiss Stake, mashed potatoes and gravy, vegetable, salad and roll, cake, coffee and punch. Again, the cost will be \$10.00 per person and all are invited.

Looking forward to seeing you at our next meeting!

Bill Stratton, III. Master

Isn't it True?

Oh yes we all are Craftsmen,
 And very proud to be;
 We wear our little pins and rings
 For everyone to see.

But let us ask the question,
 E'en though the thought may sting-
 Would you know me for a Mason
 If you did not see my ring?

True men show the Tenets of
 Our ancient hallowed Creeds;
 Not just on coat and finger,
 But by their words and deeds.

There's one thing to remember,
 If I've learned my lessons well.
 My deeds are more convincing
 Than my finger or lapel.

It is always a fun time for all as Lora calls out the advancement of each horse and the winner always gets a prize

Because our meeting date is close to May 5th, we will have music from Latin America, especially Mexico.

The second meeting will take place on the Friday before Memorial Day, May 23rd 2014. That night we will have music that would be appropriate for that holiday.

May 30th 2014 will be a Special Meeting for our Inspection. Please do your best to be there and to know your part.

If you are thinking of placing a RADA order, please see Margaret Antonosanti or Carol Jones. If you aren’t sure what RADA is, ask one of them for a catalogue and they will be happy to see you get one.

A card and flowers were sent to Jean Bowen as she was in the hospital for surgery. We all hope you are doing well and we miss you.

Dear Daughters,! I hope all of you are enjoying the wonderful spring weather we have been experiencing. Even the rain is welcome since I do not have to shovel rain!

We had two meetings in April. At our first meeting, April 1st, we celebrated Easter. Lunch was served by Cathy Mauer and Judy Wayt. We enjoyed Hot-Dogs with all the fix'ens. Our special gift was brought by me and won by Daughter Joan Ann Walters. All proceeds go toward our Daughter, Cindy Gay's year as the Supreme Mighty Chosen One.

At our second meeting on April 8th, we practiced our initiation work. It was a wonderful night of learning and all the Past Mighty Chosen Ones were so helpful for those of us still learning. Mary Moore helped me with the lunch of Sloppy Joes and Strawberry Shortcake.

There is a lot happening in May; our Stated Meeting will be by Tuesday, May 6th and we will once again practice for initiation. Lunch will be served by Mary Moore and Connie Gay. We will have a special meeting on Tuesday, May 27th to practice for the ceremonial also. I have requested the Cryptic Room for this practice. Barbara Turner has volunteered to handle our lunch for this meeting.

We will hold two further practices for ceremonial on Sunday, May 18th and Sunday, June 1st at 2:00 p.m. for our Ceremonial on Tuesday, June 3rd.

If you would like to take a part in the ceremonial, please let us know. It is a lot of fun. We hope that more of you will join us for our meetings. It is a wonderful way to relax and enjoy each other's company.

“One Day Class”

The popular Grand Master’s “One Day Class” is now part of history for this year. Usually a great success as it introduces many worthy men to Freemasonry for the very first time without the lengthy process of memorization and examination. A day of observation and obligations makes him a Brother with all the privileges of Freemasonry at his disposal. And even after lengthy orientation in his home lodge and the answering of all his questions, the process of becoming a Freemason has just began for this new member. Will he return to that beautiful “blue” room known as lodge and become a part of the fellowship and workings of Freemasonry? Sad, but probable past statistics indicate only a few will ever become active member. Granted, we may lead this brother to the pool of Freemasonry but we cannot force him to drink of the knowledge. Only this new member can explain his motive for his interest and petition.

Consider the “One Day Class” in the eyes of a candidate, who was Queen for the day. All attention was shed on him. He had a mentor at his side almost every minute of his adventure into the organization. But many of us know his journey into Freemasonry has just begun and if he is not nurtured and encouraged to attend lodge and become active, he will slip through the cracks until dues time when he is once again important. Too late, he is most likely lost and maybe disillusioned.

Please keep in mind this new Master Mason had to absorb, in a few hours, what many of us took months or even years to learn about “Brotherly Love, Relief and Truth.” He is most likely confused about lodge procedure. He is, in all probability, overwhelmed and trying his best to sort through all this information, trying his utmost to create some clarity of it. He may even be frightened as to whether he can or will fit in. He is surely very uncomfortable with his lack of knowledge. The unknown is a frightening place to be. When he does come into lodge, will he make some small mistake that may embarrass him and end his Masonic experience? Yes, this will most likely happen and if someone is not there to smooth it over, his confidence may be shaken never to rebuild. In strange surroundings, among, in many cases, complete strangers, will he even feel welcome as he enters. He may feel uneasy to wonder the halls of the Masonic Temple to explore its beauty and history answering the wonderment of just what he has become a **dues paying** member of.

It is not only unfair, but very thoughtless of us to let this happen; and if lost, he may never venture entry again alone. The brethren of Masonry must work for every member we receive. Remember he asked to be a part of us but he still had no idea what to expect. Don’t destroy his dream with indifference. It’s hard work to become a member of Masonry but even harder work to remain a member. Do not allow this new member to think he is no more than a dollar sign. He is the future of this organization.

Looking Back, Deep Freeze Panic!

Well now that spring is finally with us and warm is the norm', let me relate my deep freeze experience of last winter to those of you who may have had similar. On Monday, January 27th, 2014 the temperature outside dropped well below zero during the night and when we awoke on Tuesday, January 28th, there was no heat in the house, no television and no computer. Oh yes, and by the way, and no water pressure. Without electricity, there is no refrigeration and no working furnace or water pump. Oh my! What now! Like the television commercial states, "we're of the age where we are our own man," I quickly thought back to "yester year" when there were fewer of the amenities we enjoy today. I picked up the telephone receiver; only to find it dead also. No help there! I completely forgot about the cellular network, I rarely use it anyway. We are stranded without a paddle! Taking stock now; refrigeration is no problem, just take the stuff outside; heat: thank goodness for the fireplace and a pile of old logs. I wanted rid of those anyway and I then remembered that monster of a generator I purchased several years ago, still wrapped in its crate; I think I can generate my own electricity, if need be, eventually after hookup. Water: melt some snow. "O-Kay", now the basics are taken care of and my initial panic has eased. I even thought of the outside gas grill which would serve as a makeshift stove for cooking if need be. I'm proud of myself; this is not going to defeat me. I'm my own man even at my age. Life returns to somewhat normal and I start making plans for what I needed to get accomplished. Then, after what seemed like an endless wait, there was a click! The furnace started and heat came pouring into the house. We're saved! There is a God in heaven looking after us after all! We have the basics back in our lives.

But now, for another additional 16 straight hours we braved it without the 21st century "boob tube" or no computer internet hookup. We are not connected to the outside world at this point and are forced to find other things to occupy our time and minds. Well now it seems the human mind is a lot tougher than given credit. There are things in life other than TV. We don't have to be entertained 24/7. We can do this for ourselves. Why, you can read a book, a magazine or the Masonic Bulletin! That is if you can find it in your home amongst the mess on the desk. Time to clean it off or, you can clean out that bottom dresser drawer which has bugged you for months. You can actually sit and carry on a conversation with a loved one even if you just talk about the weather although, even with the bright sunshine outside, looking out the window was depressing! Hey, it's not so bad! You would be surprised how peaceful it can be in the house without the distraction of those daytime women's programming on TV. I'm referring to those where everyone has their own agenda and they all, I mean each of them, talks at the same time. No one is doing the listening and I doubt if any on the program knows what is really happening. They sure loose me in a hurry! Anyway, we survived! "unscaved" and I feel the better for the experience. But I wonder, with all that we enjoy with modern life in this world, what would have transpired if that total utility outage would have occurred on say, "Super-Bowl" Sunday?

Now, quoting Shirley Temple, that famous Hollywood child sensation; "Oh my Goodness!"

A brick is Born

What's in a brick?

A brick contains clay, sand and coloring agents, than it is fired at tremendous temperature to remove the moisture leaving a strong and very durable substance capable of withstanding the elements and remains worthy of being referred to as a brick. It's a practically indestructible invention of mankind! Many spend a great deal purchasing old bricks from long gone famous structures of antiquity. They chip away the motor of unity and find an edifice worthy of man's genius. Bricks are not just clay and sand; they are living memories transmitting into the future. They are one of man's triumphs over the ravages of time. They are living stones of things and those who have passed and cared enough to send something into the future that will last forever. They are a man made building stoned into tomorrow. They are a brick!

Now you can have a practically indestructible brick engraved with a thought or memory for the future placed in full view for others to view forever. An 8" x 8" x 2 1/2" thick brick engraved with a memorial statement of your choice will be fired for you and placed on the North side of the Canton Masonic Temple; an easily viewed location for all who visit and enter from the parking lot. Each brick contains 5 lines of script with 14 spaces of engraving available on each line. To obtain your memorial brick, contact the Masonic Association for an ordering form at (330) 455 6300 and it will be mailed to you.

A Brick in the hands of a child; is a toy! In the hands of a crook; a weapon! In the hands of a builder; a tool! But in the hands of a Freemason, a bridge into immortality!

Send a message into infamy! Or honor a lived oner.

Brethren! Congratulations. We had 100 % participation at the last M' W & D's Asso. Meeting. We hope this continues. We also see all three Canton Lodges participating together in joint ventures. More lodges in Stark County should think about joint activities as well.

The "One Day Class" went very well and if you missed it, you missed some excellent degree work by so many. Thanks to all who worked on it, it went very smoothly. Now we must get those new members active! There are still three lodges being inspected in the MM Degree in May. We hope that the sessions we've had with the written ritual helps with their degree work.

The M W & D's Fellow Craft Team is available now and so is the M W & D's Funeral Service Team. Contact your lodge for further details.

S.L.O's.A., T.C.B.L.A. and MW & D's.
